# It's time to make the vision of equitable development in Pittsburgh a reality.

## How will you help create an #AllInPittsburgh?

Share your personal commitment to advancing equitable development in Pittsburgh on Twitter, Instagram, or Facebook. Write in what you can do to create an All-In Pittsburgh on the other side of this card, have your photo taken with your pledge (event staff are here to help), and post your photo on social media with the hashtag: #AllInPittsburgh.

Here are some sample commitments:

**“I will support policies that ensure development without displacement.”**

**“I will challenge myself to understand structural and institutional racism.”**

**“Let’s pass a strong inclusionary zoning policy for the people who need affordable housing the most.”**

**“I support the creation of community land trusts.”**

**“I will continue to encourage my university to buy local.”**

**“[My company] will create targets for contracting with minority- and women-owned businesses.”**
